ENDORSEMENT

- [1] This motion to appoint a receiver is on consent s set out in the forbearance agreement the parties signed.
- [2] Notwithstanding the consent, the individual defendants sought an adjournment to permit a “deal” to complete that they say would have paid the loans under which

the Plaintiffs move. I dismissed that request. If there is a “deal” that if completed would resolve the debt between the parties, the Receiver can consider it.

- [3] Order to go appointing the Receiver as I have signed.
- [4] On consent the motion for default judgment against all Defendants is adjourned to 31 October 2025, regular motions list, not to exceed one hour. The Respondents shall file their responding records by 4 PM 10 October and the Plaintiffs any Reply by 4 pm, 17 October. These dates are peremptory to the Defendants unless they retain a lawyer(s) in which case all dates can be amended by agreement of counsel.
