#### **Finding and Order: Professional Misconduct**

**Referral Date:** Sep. 18, 2015

**Hearing Date:** Apr. 28, 2017

**Decision Date:** Apr. 28, 2017

▼ Summary of Hearing:

At a hearing on April 28, 2017, a Panel of the Discipline Committee made findings of professional misconduct against Mr. Gerges with respect to incidents set out in four referrals by the Inquiries, Complaints and Reports Committee.

Regarding the first referral, the Panel made findings against Mr. Gerges with respect to the following incidents:

- Between about June 2014 and about December 2014, he dispensed to a patient, [Patient 1], quantities of letrozole, a generic substitute for Femara, whereas [Patient 1] had in fact been prescribed a different medication, namely Feramax 150mg;
- In the fall of 2014, he dispensed medications to [Patient 1] in the form of dosettes that did not contain a correct set of tablets, having regard to [Patient 1]'s prescriptions;
- He did not maintain accurate records of prescriptions dispensed to [Patient 1] between about June 2014 and December 2014;
- He signed a patient record for [Patient 1] dated January 20, 2015, which suggested that the medications had been dispensed by Mill Street to [Patient 1] throughout the summer of 2014, whereas he ought to have known that [Patient 1] had not attended the Pharmacy during the summer of 2014, but rather that Mill Street had dispensed a long-term supply of medications to [Patient 1] in or about June 2014; and
- In or about January and February 2015, while [Patient 1]'s complaint to the College was being investigated, and without being solicited to do so, he offered significant compensation to [Patient 1] in respect of the Feramax 150mg dispensing error, and repeatedly contacted her and attempted to contact her to discuss the offer.

In particular, with respect to the first referral, the Panel found that he:

- Failed to maintain the standards of the profession;
- Failed to keep records as required respecting his patients; and
- Engaged in conduct relevant to the practice of pharmacy that, having regard to all of the circumstances, would reasonably be regarded by members of the profession as unprofessional and, with respect to the offer of compensation only, dishonourable.

Regarding the second referral, the Panel made findings against Mr. Gerges with respect to the following incidents:

- On July 25, 2014, August 28, 2014, and September 18, 2014, he submitted claims to third party insurers regarding certain identified items that were not dispensed to patients;
- On July 25, 2014, August 28, 2014, and September 18, 2014, he created records of dispensing and/or billing transactions in relation to the claims submitted to third party insurers that he ought to have known were false or misleading; and
- He ought to have known that these claims were false and/or misleading, and that these records contained a false and/or misleading statement.

In particular, with respect to the second referral, the Panel found that he:

- Failed to maintain a standard of practice of the profession
- Engaged in conduct relevant to the practice of pharmacy that, having regard to all the circumstances, would reasonably be regarded by members as unprofessional

Regarding the third referral, the Panel made findings against Mr. Gerges with respect to the following incidents:

- In August 2015, before filling a purported prescription for narcotics issued to [Patient 2], he failed to take steps to verify the prescription with the apparent prescriber, whereas verification was warranted in the circumstances;
- Between at least April 2014 and April 2016, he failed to ensure that Mill St. Pharmacy had policies and procedures in place to ensure the safe and accurate preparation of compliance packages;
- Between at least April 2014 and April 2016, he failed to ensure that Mill St. Pharmacy had policies and procedures in place to ensure that the billing of medications contained in compliance packages corresponded to the dates on which those medications were dispensed;
- Between at least April 2014 and April 2016, he failed to ensure that Mill St. Pharmacy had policies and procedures in place to ensure adequate record-keeping in respect of medications dispensed in the form of compliance packages;
- He did not maintain accurate records of prescriptions dispensed to a patient, [Patient 1], between about June 2014 and December 2014, including:
  - i. no record of prescriber authorization or other reason for refills of Tecta dispensed in June and July 2014;
  - ii. hardcopies indicating “new Rx” for Teva-Rosuvastatin and Mylan-Paroxetine dispensed November 21, 2014, but no actual prescription or other authorization;
  - iii. no hardcopies for certain items on [Patient 1]’s Patient Medical Record;
  - iv. duplicate hardcopies for certain items on [Patient 1]’s Patient Medical Record;
- Between at least June 2014 and December 2014, he created records in respect of a patient, [Patient 1], which suggested that medications were dispensed by Mill St. Pharmacy to [Patient 1] in the form of a one-week supply on a weekly basis, whereas the medications were dispensed to [Patient 1] in the form of a longer-term supply, on a less frequent basis;
- Between at least June 2014 and December 2014, he submitted claims to the Ontario Drug Benefit Program in respect of a patient, [Patient 1], which suggested that medications were dispensed by Mill St. Pharmacy to [Patient 1] in the form of a one-week supply on a weekly basis, whereas he ought to have known that the submitted claims were false or misleading because medications were dispensed to [Patient 1] in the form of a longer-term supply, on a less frequent basis; and
- Between at least June 2014 and December 2014, he created records of

dispensing and/or billing transactions in relation to the claims submitted to the Ontario Drug Benefit Program in respect of [Patient 1] that he ought to have known were false or misleading.

In particular, with respect to the third referral, the Panel found that he:

- Failed to maintain the standards of the profession
- Failed to keep records as required respecting his patients
- Engaged in conduct relevant to the practice of pharmacy that, having regard to all of the circumstances, would reasonably be regarded by members of the profession as unprofessional

Regarding the fourth referral, the Panel made findings against Mr. Gerges with respect to the following incidents:

- Between at least January 2015 and April 2016, he failed to ensure that Mill St. Pharmacy in Tilbury, Ontario ("the Pharmacy") had policies and procedures in place to ensure the safe and accurate preparation of compliance packages, including policies and procedures to ensure that changes to a patient's prescriptions were noted and reflected in the patient's compliance packages in a timely fashion;
- Between at least January 2015 and April 2016, he failed to ensure that the Pharmacy had policies and procedures in place to ensure that the billing of medications contained in compliance packages corresponded to the dates on which those medications were dispensed;
- Between at least January 2015 and April 2016, he failed to ensure that the Pharmacy had policies and procedures in place to ensure adequate record-keeping in respect of medications dispensed in the form of compliance packages;
- In June 2015, on successive days, he filled two prescriptions for Tecta 40mg for the same patient, [Patient 3], that were written by different prescribers;
- He did not maintain accurate records of prescriptions dispensed to a patient, [Patient 3], between about January 2015 and June 2015, including:
  - i. [Patient 3]'s Patient Medical Record did not accurately reflect the dates on which medications were dispensed to the patient;
  - ii. No hardcopies for certain items listed on [Patient 3]'s Patient Medical Record;
- Between at least January 2015 and June 2015, he created records in respect of a patient, [Patient 3], which suggested that medications were dispensed by the Pharmacy to [Patient 3] in the form of a one-week supply on a weekly basis, whereas the medications were dispensed to [Patient 3] in the form of a longer-term supply, on a less frequent basis;
- Between at least January 2015 and June 2015, he submitted claims to the Ontario Drug Benefit Program in respect of a patient, [Patient 3], which suggested that medications were dispensed by the Pharmacy to [Patient 3] in the form of a one-week supply on a weekly basis, whereas he ought to have known that the submitted claims were false or misleading because the medications were dispensed to [Patient 3] in the form of a

longer-term supply, on a less frequent basis; and

- Between at least June 2014 and December 2014, he created records of dispensing and/or billing transactions in relation to the claims submitted to the Ontario Drug Benefit Program in respect of [Patient 3] that he ought to have known were false or misleading.

In particular, with respect to the fourth referral, the Panel found that he:

- Failed to maintain the standards of the profession
- Failed to keep records as required respecting his patients
- Engaged in conduct relevant to the practice of pharmacy that, having regard to all of the circumstances, would reasonably be regarded by members of the profession as unprofessional

The Panel imposed an Order which included as follows:

1. A reprimand;

2. That the Registrar be directed to suspend the Member's certificate of registration for five (5) months, one (1) month of which to be remitted if the Member satisfies all of the conditions set out in paragraph 3a., b. and c. The suspension shall commence on May 1, 2017, and run until August 31, 2017, inclusive. If the remitted portion of the suspension is required to be served by the Member because he fails to satisfy the conditions set out in paragraph 3a., b. and c., that portion of the suspension shall commence on April 29, 2020 and shall continue until May 28, 2020, inclusive;

- i. the number of sessions shall be at the discretion of the consultant;

  1. the decision and reasons of the panel in this matter dated July 24, 2017;
  2. a copy of this order;

b. that the Member successfully complete, within eighteen (18) months of the date of the Order, if he has not already done so within the twelve (12) months prior to the date of this Order, a review of his practice pursuant to the Medication System Safety Review for a Community Pharmacist On-Site Assessment program of ISMP Canada, which shall include delivery of the reviewer's report to the Registrar. The review will take place at the Member's practice site at Mill St. Pharmacy in Tilbury, Ontario. The Member shall be responsible for the cost of the review;

c. that the Member successfully complete, within three (3) years of the date of this order, the following courses (or, if these courses are no longer available at the relevant time, a comparable course of study approved in advance by the Registrar):

i. CPS I – Toronto Module 3 (Professional Practice & Pharmacy Management 1) from the Canadian Pharmacy Skills Program offered through the Leslie Dan Faculty of Pharmacy at the University of Toronto;

ii. CPS II – Toronto Module 3 (Professional Practice & Pharmacy Management II) from the Canadian Pharmacy Skills Program offered through the Leslie Dan Faculty of Pharmacy at the University of Toronto;

d. That the Member:

i. retain, at the Member's expense, a practice mentor acceptable to the College, who is a Designated Manager, within three (3) months of the date of this Order;

ii. meet at least six (6) times with the practice mentor, at the mentor's place of practice, for the purpose of reviewing the Member's practice with respect to

a. appropriate billing to ODB and other third party insurers;

b. appropriate refill reminder practice;

c. general supervision of a pharmacy, including supervision of pharmacy staff;

d. and any other matter that the mentor determines is appropriate.

to this end, the Member shall provide the practice mentor with the

following documents related to this proceeding:

1. a copy of the Notices of Hearing;

3. a copy of this Joint Submission on Order; and
4. a copy of the Decision and Reasons, when available.

iii. develop a learning plan to address the areas requiring remediation;

iv. demonstrate to the practice mentor that the Member has achieved success in meeting the goals established in the learning plan; and

v. direct the practice mentor to provide a report to the Manager, Investigations and Resolutions at the College, identifying the learning plan and the mentor's assessment of whether the Member has satisfactorily completed the learning plan, no later than eighteen (18) months from the date of this Order.

e. that the Member be prohibited from acting as a Designated Manager for any pharmacy, for a period of three (3) years from the date the Order is imposed, with one year of this restriction to be remitted on condition that the Member successfully complete the learning plan described in paragraph 3(d), as reported by the mentor to the College.

f. For a period of three (3) years following the period of restriction described in paragraph 3(e), the Member be prohibited from acting as Designated Manager for more than two (2) pharmacies at any given time. If the Registrar is satisfied with the results of the assessments described in paragraph 3(g), below, this term, condition or limitation will be lifted at the end of this three (3) year period. If the Registrar is not satisfied with the results of the assessments described in paragraph 3(g), below, this term, condition or limitation will remain on the Member's certificate of registration, and may only be varied on application by the Member to the Discipline Committee.

g. For a period of three (3) years following the end of the period of restriction described in paragraph 3(e), the Member's practice and all activities at any pharmacies in which the Member has a proprietary interest of any kind shall be monitored by the College by means of unannounced practice assessments by a representative or representatives of the College to a maximum of three (3) inspections across all pharmacies. The practice assessments may be in addition to any of the routine inspections conducted by the College pursuant to the authority of section 148 of the Drug and Pharmacies Regulation Act. The Member shall cooperate with the College during the practice assessments and, further, shall pay to the College in respect of the cost of monitoring, the amount of \$1,000.00 per assessment, such amount to be paid immediately after completion of each of the assessments.

h. That the Member ensure that, at any pharmacy of which he is a shareholder, director, or Designated Manager, refills of medication are not billed until the pharmacy staff have confirmed that the refill is required.

4. Costs to the College in the amount of \$10,000.

In its reprimand, the Panel noted that the practice of pharmacy is a privilege that carries with it significant obligations to the public, the profession and to

oneself. The Panel expressed its view that the Member's conduct was totally unacceptable to his fellow pharmacists and fell well below the standards of practice expected of pharmacists and Designated Managers. The Panel indicated that it was necessary to impress upon the Member the seriousness of his misconduct.

The Panel agreed that the Member's conduct was unprofessional and in some circumstances dishonourable. The Panel expressed its expectation that the remediation ordered will result in improvement to the Member's practice as a pharmacist and a Designated Manager, and will also ensure that the public interest will be safeguarded. The Panel related its expectation that the Member will make the necessary adjustments to his practice, and will not appear before the Discipline Committee of the Ontario College of Pharmacists again.

A Windsor, Ont. pharmacist is one of six people charged in connection to an opioid trafficking ring in Toronto.

John Gerges, who previously identified himself to CBC News as the operations manager of the Olde Walkerville Pharmacy on Wyandotte Street East, was one of two pharmacists connected to the ring.

Gerges has a history of professional misconduct.

York Regional Police charged Gerges with three counts of possession for the purpose of trafficking, as well as one count of possession of a forged document.

Const. Laura Nicolle told CBC News that in December 2019 officers with her organization carried out a search warrant in Toronto that led to "several arrests at the time."

John Gerges previously identified himself as "John George" during Bernie Sanders' visit in July. (CBC News)

In total, investigators with York Regional Police seized more than \$500,000 worth of opioid drugs, more than \$220,000 in cash and one firearm.

Toronto residents Walter Jovel, Sahir Shemun, Sandra Youssef, as well as Vaughn residents Blarsn Zaro and Firas Georges, were charged in connection to the ring.

## History of professional misconduct

According to online Ontario College of Pharmacists (OCP) records, Gerges is currently registered at the Totten Pharmacy in Windsor, as well as the Mill St. Pharmacy in Tilbury, Ont.

He registered with the OCP in 2011.

His OCP record lists a number of professional misconduct concerns for which he was disciplined, including dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, as well as failing to maintain "the standards of the profession."

York Regional Police Const. Laura Nicolle says other trafficking investigations have revealed connections to licensed pharmacists. (CBC)

Gerges was suspended from May 2017 to September 2017.

Among the concerns listed in Gerges's OCP record is the trafficking charge he received in December.

CBC News first became aware of Gerges's record in 2019, after U.S. presidential candidate Bernie Sanders took part in an insulin caravan that visited the Olde Walkerville Pharmacy.

At the time, Gerges identified himself as John George. A subsequent Radio-Canada investigation, however, revealed that no one named "John George" is registered with the OCP, nor is the position of "operations manager" defined by the college.

“[Gerges] had connection to a number of pharmacies in [the] area.”

- Const. Laura Nicolle, York Regional Police

A number of other pharmacists at the Olde Walkerville Pharmacy also had concerns attached to their OCP files.

Nicolle said Gerges "had connections to a number of pharmacies in [the] area."

Despite the concerns attached to Gerges's file, he was still allowed to sign off on narcotics.

## Gerges currently under investigation by the OCP

A spokesperson for the OCP said though Gerges maintains his license, court-imposed restrictions mean he's not allowed to work in a pharmacy, nor is he allowed to enter the pharmacy section of a store without a legitimate medical reason.

"Mr. Gerges is currently under investigation by the college and all registrants are required to renew their certificate of registration annually," wrote the spokesperson, in an email.

According to the OCP, if an investigation results in a referral of allegations to the college's discipline committee, a pharmacist's certificate of registration can be suspended or revoked, if a committee panel "finds a registrant guilty of professional misconduct or incompetence."

## 'Most pharmacists really uphold, follow the rules,' says local pharmacist

Tim Brady, business owner of Brady's Drug Stores in Belle River, Ont. and Essex, Ont., said he was shocked when he first learned about the charges laid against Gerges.

"Most pharmacists really uphold the rules so when you see someone who has historically broken them again and again you wonder at what point does it stop," he said.

According to Nicolle, this isn't the first time officers pursuing a drug trafficking case have found connections to licensed pharmacists.

“Most pharmacists really uphold the rules ...”

- Tim Brady, Owner, Brady's Drug Store

Still, Brady emphasized that "most pharmacists really uphold [and] follow the rules."

"We've been voted one of the most trustworthy professions and we want to keep that status," he said. "So we'll work even harder, all the other pharmacists work even harder to combat this type of action."

A spokesperson for York Regional Police confirmed that Gerges is a registered pharmacist, and that his residences include an address in Tilbury.

The Ontario College of Pharmacists lists a pharmacy professional named John Gerges whose workplaces are Mill Street Pharmacy in Tilbury and Totten Pharmacy in Windsor.

The OCP also lists that Gerges was charged in Toronto in December with possession for the purpose of trafficking, and that he is currently living with a surety under house arrest conditions.

The other accused are listed as Sandra Youssef, 30, of Toronto; Walter Jovel, 27, of Toronto; Sahir Shemun, 39, of Vaughan; Blarsn Zaro, 31, of Vaughan; and Firas George, 36, of Vaughan.

The investigation began in late 2019. The initial search warrant was executed in Toronto in December. Multiple arrests were made at that time.

In addition to the opioids, York Regional Police seized a firearm and more than \$220,000 in cash.

Gerges has been charged with a total of three counts of possession for the purpose of trafficking and one count of possession of a forged document with criminal intent.

Gerges' profile with the OCP shows that he was educated at Cairo University in Egypt and he can provide services in Arabic.

In April 2017, Gerges was reprimanded by the OCP's discipline committee for professional misconduct.

The decision was in relation to multiple incidents that took place in 2014 and 2015. The panel found that Gerges failed to maintain the standards of the profession, failed to keep patient records as required, and engaged in conduct considered unprofessional and dishonourable.

Copy to the Guarantors listed in Schedule "A"  
attached hereto.

Dear Sirs/Mesdames

**Re: Promissory Note issued by 4231 Sheppard Avenue East Inc. (the "Borrower") to CWB Maxium Financial Inc. guaranteed by each of John Gerges ("JG"), and Resident Medical Group Inc. ("Resident Medical", and together with JG, the "Guarantors" and each a "Guarantor")**

Please be advised that we are counsel for CWB Maxium Financial Inc. (the "**Lender**").

The Lender advanced the sum of \$260,450.00 CAD (the "**Loan**") to the Borrower pursuant to the terms of a promissory note dated October 21, 2019 executed by the Borrower (the "**Promissory Note**").

As security for repayment of the Promissory Note and all indebtedness due to the Lender in connection therewith, each of the Borrower and the Guarantors executed, delivered and/or granted to the Lender certain security documentation, including, but not limited to, the following:

with respect to the Borrower:

- (a) a general security agreement dated October 21, 2019 granted by the Borrower in favour of the Lender (the "**Borrower GSA**");

with respect to Resident Medical:

- (b) a general security agreement dated November 5, 2017 granted by Resident Medical in favour of the Lender (the "**Resident Medical GSA 1**");
- (c) a general security agreement dated October 21, 2019 granted by Resident Medical in favour of the Lender (the "**Resident Medical GSA 2**");

- (d) a guarantee dated October 21, 2019 granted by Resident Medical in favour of the Lender;

with respect to JG:

- (e) a general security agreement dated March 11, 2016 granted by JG in favour of the Lender (the "**JG GSA 1**");
- (f) a general security agreement dated March 11, 2016 granted by JG in favour of the Lender (the "**JG GSA 2**");
- (g) a general security agreement dated August 18, 2016 granted by JG in favour of the Lender (the "**JG GSA 3**");
- (h) a general security agreement dated November 5, 2017 granted by JG in favour of the Lender (the "**JG GSA 4**");
- (i) a general security agreement dated May 25, 2018 granted by JG in favour of the Lender (the "**JG GSA 5**");
- (j) a general security agreement dated October 21, 2019 granted by JG in favour of the Lender (the "**JG GSA 6**");
- (k) a general security agreement dated August 2, 2018 granted by JG in favour of the Lender (the "**JG GSA 7**");
- (l) a general security agreement dated December 23, 2019 granted by JG in favour of the Lender (the "**JG GSA 8**"); and
- (m) a guarantee dated October 21, 2019 granted by JG in favour of the Lender.

(collectively, the "**Security**").

The JG GSA 1, the JG GSA 2 and the JG GSA 3 are collectively referred to as "**Group 1 GSAs**" and each a "**Group 1 GSA**". The Borrower GSA, the Resident Medical GSA 1, the Resident Medical GSA 2, the JG GSA 4, the JG GSA 5, the JG GSA 6, the JG GSA 7 and the JG GSA 8 are collectively referred to as "**Group 2 GSAs**" and each a "**Group 2 GSA**". The Group 1 GSAs and the Group 2 GSAs, are collectively referred to as, the "**GSAs**" and each a "**GSA**".

It has come to our client's attention that JG, a 100% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Among other things, the foregoing matters have been reported on the website of the Ontario College of Pharmacists and in numerous news sources including, but not limited to, the following news articles:

- (a) *Windsor, Ont. pharmacist with record of misconduct among 6 charged in Toronto opioid trafficking ring*, published by the Canadian Broadcasting Corporation on January 23, 2020;
- (b) *Pharmacist charged in opioid trafficking ring has Tilbury and Windsor ties*, published by the Windsor Star on January 23, 2020;
- (c) *6 charged in opioid trafficking right, including 2 pharmacists*, published by Toronto City News on January 22, 2020; and
- (d) *Two pharmacists among six accused in opioid trafficking ring*, published by the Toronto Sun on January 22, 2020.

The Charges and the Professional Misconduct place the recovery of all indebtedness owed by the Borrower to the Lender in jeopardy, impair the value of the Security and have a material adverse effect on the business of the Borrower and JG. Accordingly, the Charges and the Professional Misconduct constitute a breach of subsections 3(e) of the Promissory Note, subsections 13(f) and 15(l) of each Group 1 GSA, subsections 13(f) and 15(m) of each Group 2 GSA (quoted in full below) and events of default have arisen as a result.

Section 3(e) of the Promissory Note specifically requires the Borrower to repay all indebtedness owing by the Borrower to the Lender pursuant to or in connection with the Promissory Note in the event that a circumstance occurs which has or can have a material adverse effect on the Borrower's financial condition, business, assets, properties or prospects.

Section 3(e) of the Promissory Note is reproduced below for your reference:

### **3. Acceleration**

In the event that **...(e) any circumstances changes or any event occurs which has or could have a material adverse effect on your financial condition, business, assets, properties or prospect, or (f)...**you shall be required to pay us on demand, whereupon you shall immediately pay us, as a genuine pre-estimate of liquidated damages and not as a penalty, the present value of all Instalments required to be paid to and including the Term Date that have not been paid at the date of calculation (whether or not accrued or due and payable), discounted from the respective dates on which the Instalments would otherwise be payable to the date of calculation, at the lessor of (i) 3% per annum, compounded monthly or (ii) the then current yield prevailing for a Government of Canada bond with term remaining most closely approximating the period of time remaining hereunder at such time to the Term Date, and all other accrued and then unpaid Interest.

(emphasis added)

Additionally, Section 13(f) of each GSA provides that the debtor under such GSA agrees to carry on, and maintain good standing, the business carried out by such debtor.

Section 13(f) of each GSA is reproduced below for your reference:

**13. Positive Covenants**

You agree to:

....

- (f) continue to carry on, and maintain in good standing, the business being carried on by you at the date hereof.

Section 15(l) of each Group 1 GSA provides that the debtor under such Group 1 GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(l) of each Group 1 GSA is reproduced below for your reference:

**15. Default**

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

...

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

Lastly, Section 15(m) of each Group 2 GSA provides that the debtor under such Group 2 GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(m) of each Group 2 GSA is reproduced below for your reference:

**15. Default**

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

You are hereby given formal notice of the foregoing defaults.

The Lender does not waive compliance with the obligations provided for in the Promissory Note, the GSAs and the Security. Please be advised that the Lender reserves all rights and remedies under the Promissory Note, the Security and such other agreements and security provided in favour of the Lender in connection with the Loan provided for in the Promissory

Note – including the Lender's right to demand payment of the loans advanced to the Borrower pursuant to the Promissory Note at any time in the future.

Yours truly,

Dear Sirs/Mesdames

**Re: Promissory Note issued by Bless Jimmy's Pharma Inc. (the "Borrower") to Maxium Financial Services Inc., guaranteed by each of John Gerges ("JG"), Gamal F. Gerges ("GG"), Selvia Gerges ("SG"), Jimmy's Group Investors Inc. ("Jimmy's Group"), and Bless Pharma Inc. ("Bless Pharma", and collectively with JG, GG, SG and Jimmy's Group, the "Guarantors" and each a "Guarantor")**

Please be advised that we are counsel for Maxium Financial Services Inc. (the "Lender").

The Lender advanced the sum of \$750,450.00 (the "Loan") to the Borrower pursuant to the terms of a promissory note dated March 15, 2015 executed by the Borrower (the "Promissory Note").

As security for repayment of the Promissory Note and all indebtedness due to the Lender in connection therewith, each of the Borrower and the Guarantors executed, delivered and/or granted to the Lender certain security documentation, including, but not limited to, the following:

with respect to the Borrower:

- (a) a general security agreement dated March 15, 2015 granted by the Borrower in favour of the Lender (the "**Borrower GSA 1**");

- (b) a general security agreement dated March 15, 2015 granted by the Borrower in favour of the Lender (the "**Borrower GSA 2**");

with respect to GG:

- (c) a general security agreement dated March 15, 2015 granted by GG in favour of the Lender (the "**GG GSA**");
- (d) a guarantee dated March 15, 2015 granted by GG in favour of the Lender;

with respect to SG:

- (e) a general security agreement dated March 15, 2015 granted by SG in favour of the Lender (the "**SG GSA**");
- (f) a guarantee dated March 15, 2015 granted by SG in favour of the Lender;

with respect to Jimmy's Group:

- (g) a general security agreement dated March 15, 2015 granted by Jimmy's Group in favour of the Lender (the "**Jimmy's Group GSA 1**");
- (h) a general security agreement dated March 15, 2015 granted by Jimmy's Group in favour of the Lender (the "**Jimmy's Group GSA 2**");
- (i) a guarantee dated March 15, 2015 granted by Jimmy's Group in favour of the Lender;

with respect to Bless Pharma:

- (j) a general security agreement dated March 15, 2015 granted by Bless Pharma in favour of the Lender (the "**Bless Pharma GSA**");
- (k) a guarantee dated March 15, 2015 granted by Bless Pharma in favour of the Lender;

with respect to JG:

- (l) a general security agreement dated March 15, 2015 granted by JG in favour of the Lender (the "**JG GSA**", and collectively, with the Borrower GSA, the Jimmy's Group GSA 1, the Jimmy's Group GSA 2, the Bless Pharma GSA, the GG GSA and the SG GSA, the "**GSAs**" and each a "**GSA**"); and
- (m) a guarantee dated March 15, 2015 granted by JG in favour of the Lender.

(collectively, the "**Security**").

It has come to our client's attention that JG, a 51% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets

to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Among other things, the foregoing matters have been reported on the website of the Ontario College of Pharmacists and in numerous news sources including, but not limited to, the following news articles:

- (a) *Windsor, Ont. pharmacist with record of misconduct among 6 charged in Toronto opioid trafficking ring*, published by the Canadian Broadcasting Corporation on January 23, 2020;
- (b) *Pharmacist charged in opioid trafficking ring has Tilbury and Windsor ties*, published by the Windsor Star on January 23, 2020;
- (c) *6 charged in opioid trafficking ring, including 2 pharmacists*, published by Toronto City News on January 22, 2020; and
- (d) *Two pharmacists among six accused in opioid trafficking ring*, published by the Toronto Sun on January 22, 2020.

The Charges and the Professional Misconduct place the recovery of all indebtedness owed by the Borrower to the Lender in jeopardy, impair the value of the Security and have a material adverse effect on the business of the Borrower and JG. Accordingly, the Charges and the Professional Misconduct constitute a breach of subsections 3(e) of the Promissory Note and subsections 13(f) and 15(l) of each GSA (quoted in full below) and events of default have arisen as a result.

Section 3(e) of the Promissory Note specifically requires the Borrower to repay all indebtedness owing by the Borrower to the Lender pursuant to or in connection with the Promissory Note in the event that a circumstance occurs which has or can have a material adverse effect on the Borrower's financial condition, business, assets, properties or prospects.

Section 3(e) of the Promissory Note is reproduced below for your reference:

### **3. Acceleration**

In the event that **...(e) any circumstances changes or any event occurs which has or could have a material adverse effect on your financial condition, business, assets, properties or prospect, or (f)...**you shall be required to pay us on demand, whereupon you shall immediately pay us, as a genuine pre-estimate of liquidated damages and not as a penalty, the present value of all Instalments required to be paid to and including the Term Date that have not been paid at the date of calculation (whether or not accrued or due and payable), discounted from the respective dates on which the Instalments would otherwise be payable to the date of calculation, at the lessor of (i) 3% per annum, compounded monthly or (ii) the then current yield prevailing for a Government of Canada bond with term remaining most closely approximating the period of time remaining hereunder at such time to the Term Date, and all other accrued and then unpaid Interest.

(emphasis added)

Additionally, Section 13(f) of each GSA provides that the debtor under such GSA agrees to carry on, and maintain good standing, the business carried out by such debtor.

Section 13(f) of each GSA is reproduced below for your reference:

**13. Positive Covenants**

You agree to:

....

- (f) continue to carry on, and maintain in good standing, the business being carried on by you at the date hereof.

Section 15(l) of each GSA provides that the debtor under such GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(l) of each GSA is reproduced below for your reference:

**15. Default**

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

...

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

You are hereby given formal notice of the foregoing defaults.

The Lender does not waive compliance with the obligations provided for in the Promissory Note, the GSAs and the Security. Please be advised that the Lender reserves all rights and remedies under the Promissory Note, the Security and such other agreements and security provided in favour of the Lender in connection with the Loan provided for in the Promissory Note – including the Lender's right to demand payment of the loans advanced to the Borrower pursuant to the Promissory Note at any time in the future.

Yours truly,

Please be advised that we are counsel for 1951584 Ontario Inc. (formerly Desante Financial Services Inc.) (the "**Lender**").

The Lender advanced the sum of \$518,331.96 CAD (the "**Loan**") to the Borrower pursuant to the terms of a promissory note dated June 3, 2019 executed by the Borrower (the "**Promissory Note**").

As security for repayment of the Promissory Note and all indebtedness due to the Lender in connection therewith, each of the Borrower and the Guarantors executed, delivered and/or granted to the Lender certain security documentation, including, but not limited to, the following:

with respect to the Borrower:

- (a) a general security agreement dated June 3, 2019 granted by the Borrower in favour of the Lender (the "**Borrower GSA 1**");
- (b) a general security agreement dated June 3, 2019 granted by the Borrower in favour of the Lender (the "**Borrower GSA 2**");

with respect to GG:

(c) a general security agreement dated June 3, 2019 granted by GG in favour of the Lender (the "**GG GSA 1**");

(d) a general security agreement dated June 3, 2019 granted by GG in favour of the Lender (the "**GG GSA 2**");

(e) a guarantee dated June 3, 2019 granted by GG in favour of the Lender;

with respect to S&J:

(f) a general security agreement dated June 3, 2019 granted by S&J in favour of the Lender (the "**S&J GSA 1**");

(g) a general security agreement dated June 3, 2019 granted by S&J in favour of the Lender (the "**S&J GSA 2**");

(h) a guarantee dated June 3, 2019 granted by S&J in favour of the Lender;

with respect to JG:

(i) a general security agreement dated June 3, 2019 granted by JG in favour of the Lender (the "**JG GSA 1**");

(j) a general security agreement dated June 3, 2019 granted by JG in favour of the Lender (the "**JG GSA 2**", and collectively, with the JG GSA 1, the Borrower GSA 1, the Borrower GSA 2, the GG GSA 1, the GG GSA 2, the S&J GSA 1 and the S&J GSA 2, the "**GSAs**" and each a "**GSA**");

(k) a guarantee dated June 3, 2019 granted by JG in favour of the Lender; and

with respect to Toronto Apothecary:

(l) a guarantee dated March 11, 2016 granted by Toronto Apothecary in favour of the Lender.

(collectively, the "**Security**").

It has come to our client's attention that JG, a 51% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Dear Sirs/Mesdames

**Re: Promissory Note issued by JG Windsor Inc. (the "Borrower") to Element Financial Corporation, guaranteed by each of John Gerges ("JG"), and Bless JG Pharma Inc. ("Bless JG", and together with JG, the "Guarantors" and each a "Guarantor")**

Please be advised that we are counsel for Element Financial Corporation (the "**Lender**").

The Lender advanced the sum of \$410,847.50 CAD (the "**Loan**") to the Borrower pursuant to the terms of a promissory note dated May 27, 2015 executed by the Borrower (the "**Promissory Note**").

As security for repayment of the Promissory Note and all indebtedness due to the Lender in connection therewith, each of the Borrower and the Guarantors executed, delivered and/or granted to the Lender certain security documentation, including, but not limited to, the following:

with respect to the Borrower:

- (a) a general security agreement dated May 27, 2015 granted by the Borrower in favour of the Lender (the "**Borrower GSA**");

with respect to Bless JG:

- (b) a guarantee dated May 26, 2015 granted by Bless JG in favour of the Lender;

with respect to JG:

- (c) a general security agreement dated August 26, 2015 granted by JG in favour of the Lender (the "**JG GSA**" and together, with the Borrower GSA, the "**GSAs**" and each a "**GSA**"); and
  - (d) a guarantee dated May 26, 2015 granted by JG in favour of the Lender.
- (collectively, the "**Security**").

It has come to our client's attention that JG, a 100% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Among other things, the foregoing matters have been reported on the website of the Ontario College of Pharmacists and in numerous news sources including, but not limited to, the following news articles:

- (a) *Windsor, Ont. pharmacist with record of miscount among 6 charged in Toronto opioid trafficking ring*, published by the Canadian Broadcasting Corporation on January 23, 2020;
- (b) *Pharmacist charged in opioid trafficking ring has Tilbury and Windsor ties*, published by the Windsor Star on January 23, 2020;
- (c) *6 charged in opioid trafficking ring, including 2 pharmacists*, published by Toronto City News on January 22, 2020; and
- (d) *Two pharmacists among six accused in opioid trafficking ring*, published by the Toronto Sun on January 22, 2020.

The Charges and the Professional Misconduct place the recovery of all indebtedness owed by the Borrower to the Lender in jeopardy, impair the value of the Security and have a material adverse effect on the business of the Borrower and JG. Accordingly, the Charges and Professional Misconduct constitute a breach of paragraph 3 of the Promissory Note and subsections 3.02(b) and 6.01(k) of each GSA (quoted in full below) and events of default have arisen as a result.

Paragraph 3 of the Promissory Note specifically requires the Borrower to repay all indebtedness owing by the Borrower to the Lender pursuant to or in connection with the Promissory Note if any event of default occurs under any security agreement executed by the Borrower in favour of the Lender securing the obligations of the Borrower to Lender under, among other things, the Promissory Note.

Paragraph 3 of the Promissory Note is reproduced below for your reference:

If the Borrower fails to pay any amount when due under the terms of this Note or any other event of default occurs under any security agreement executed by the Borrower in favour of the Lender (the "Agreement") securing the obligations of the Borrower to the Lender under, among other things this Note (each, a "Default"), the Lender may, in addition to any right or remedy set out in any security (including the Agreement), declare all amounts then due under this Note and all unpaid and future payments under this Note to be immediately due and payable, without any additional notice or demand of any kind, and in such event the Borrower shall forthwith pay to the Lender all such amounts then due under this Note and, as a genuine pre-estimate of liquidated damages for the loss of bargain and not as a penalty, the present value of all unpaid and future payments discounted from their respective due dates at a discount rate equal to three percent (3%) per annum.

(emphasis added)

- Additionally, Section 3.02(b) of each GSA provides that the debtor under such GSA agrees to carry on, and maintain good standing, the business carried out by such debtor.

Section 3.02(b) of each GSA is reproduced below for your reference:

### **3.02 Covenants**

The Debtor covenants with ELEMENT that:

....

3.02(b) it shall maintain, use and operate the Collateral and carry on and conduct its business in a lawful and business-like manner.

Lastly, Section 6.01(k) of each GSA provides that the debtor under such GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 6.01(k) of each GSA are reproduced below for your reference:

### **6.01 Events of Default**

The Debtor shall be in default under this Agreement upon the occurrence of any of the following events (herein referred to as an "Event of Default"):

...

6.01(k) ELEMENT believes in good faith that the payment of the Obligations or the performance or observance of any covenant herein is impaired or that the Collateral is in danger of being lost, damaged or confiscated, or of being encumbered by the Debtor or seized or otherwise attached by anyone pursuant to any legal process or otherwise.

You are hereby given formal notice of the foregoing defaults.

The Lender does not waive compliance with the obligations provided for in the Promissory Note, the GSAs and the Security. Please be advised that the Lender reserves all rights and remedies under the Promissory Note, the Security and such other agreements and security provided in favour of the Lender in connection with the Loans provided for in the Promissory Note – including the Lender's right to demand payment of the Loans advanced to the Borrower pursuant to the Promissory Note at any time in the future.

- (c) a general security agreement dated March 15, 2015 granted by GG in favour of the Lender (the "**GG GSA**");

(d) a guarantee dated March 15, 2015 granted by GG in favour of the Lender;

with respect to SG:

(e) a general security agreement dated March 15, 2015 granted by SG in favour of the Lender (the "**SG GSA**");

(f) a guarantee dated March 15, 2015 granted by SG in favour of the Lender;

with respect to Bless Jimmy:

(g) a general security agreement dated March 15, 2015 granted by Bless Jimmy in favour of the Lender (the "**Bless Jimmy GSA**");

(h) a guarantee dated March 15, 2015 granted by Bless Jimmy in favour of the Lender;

with respect to Bless Pharma:

(i) a general security agreement dated March 15, 2015 granted by Bless Pharma in favour of the Lender (the "**Bless Pharma GSA**");

(j) a guarantee dated March 15, 2015 granted by Bless Pharma in favour of the Lender;

with respect to JG:

(k) a general security agreement dated March 15, 2015 granted by JG in favour of the Lender (the "**JG GSA**", and collectively, with the Borrower GSA 1, the Borrower GSA 2, the Bless Jimmy GSA, the Bless Pharma GSA, the GG GSA and the SG GSA, the "**GSAs**" and each a "**GSA**"); and

(l) a guarantee dated March 15, 2015 granted by JG in favour of the Lender.

(collectively, the "**Security**").

It has come to our client's attention that JG, a 51% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Among other things, the foregoing matters have been reported on the website of the Ontario College of Pharmacists and in numerous news sources including, but not limited to, the following news articles:

(a) *Windsor, Ont. pharmacist with record of misconduct among 6 charged in Toronto opioid trafficking ring*, published by the Canadian Broadcasting Corporation on January 23, 2020;

- (b) *Pharmacist charged in opioid trafficking ring has Tilbury and Windsor ties*, published by the Windsor Star on January 23, 2020;
- (c) *6 charged in opioid trafficking ring, including 2 pharmacists*, published by Toronto City News on January 22, 2020; and
- (d) *Two pharmacists among six accused in opioid trafficking ring*, published by the Toronto Sun on January 22, 2020.

The Charges and the Professional Misconduct place the recovery of all indebtedness owed by the Borrower to the Lender in jeopardy, impair the value of the Security and have a material adverse effect on the business of the Borrower and JG. Accordingly, the Charges and the Professional Misconduct constitute a breach of subsections 3(e) of the Promissory Note and subsections 13(f) and 15(l) of each GSA (quoted in full below) and events of default have arisen as a result.

Section 3(e) of the Promissory Note specifically requires the Borrower to repay all indebtedness owing by the Borrower to the Lender pursuant to or in connection with the Promissory Note in the event that a circumstance occurs which has or can have a material adverse effect on the Borrower's financial condition, business, assets, properties or prospects.

Section 3(e) of the Promissory Note is reproduced below for your reference:

### **3. Acceleration**

In the event that **...(e) any circumstances changes or any event occurs which has or could have a material adverse effect on your financial condition, business, assets, properties or prospect, or (f)....**you shall be required to pay us on demand, whereupon you shall immediately pay us, as a genuine pre-estimate of liquidated damages and not as a penalty, the present value of all Instalments required to be paid to and including the Term Date that have not been paid at the date of calculation (whether or not accrued or due and payable), discounted from the respective dates on which the Instalments would otherwise be payable to the date of calculation, at the lessor of (i) 3% per annum, compounded monthly or (ii) the then current yield prevailing for a Government of Canada bond with term remaining most closely approximating the period of time remaining hereunder at such time to the Term Date, and all other accrued and then unpaid Interest.

(emphasis added)

Additionally, Section 13(f) of each GSA provides that the debtor under such GSA agrees to carry on, and maintain good standing, the business carried out by such debtor.

Section 13(f) of each GSA is reproduced below for your reference:

### **13. Positive Covenants**

You agree to:

....

- (f) continue to carry on, and maintain in good standing, the business being carried on by you at the date hereof.

Section 15(l) of each GSA provides that the debtor under such GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(l) of each GSA is reproduced below for your reference:

#### 15. Default

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

...

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

You are hereby given formal notice of the foregoing defaults.

The Lender does not waive compliance with the obligations provided for in the Promissory Note, the GSAs and the Security. Please be advised that the Lender reserves all rights and remedies under the Promissory Note, the Security and such other agreements and security provided in favour of the Lender in connection with the Loan provided for in the Promissory Note – including the Lender's right to demand payment of the loans advanced to the Borrower pursuant to the Promissory Note at any time in the future.

Dear Sirs/Mesdames

**Re: Promissory Note issued by Maple Medi Pharma Inc. (the "Borrower") to CWB Maxium Financial Inc. guaranteed each of John Gerges ("JG"), Chun-Ho Chan ("CC") and Bless Pharma Inc. ("Bless Pharma", and collectively with JG and CC, the "Guarantors" and each a "Guarantor")**

Please be advised that we are counsel for CWB Maxium Financial Inc. (the "**Lender**").

The Lender advanced the sum of \$1,590,450.00 CAD (the "**Loan**") to the Borrower pursuant to the terms of a promissory note dated May 25, 2018 executed by the Borrower (the "**Promissory Note**").

As security for repayment of the Promissory Note and all indebtedness due to the Lender in connection therewith, each of the Borrower and the Guarantors executed, delivered and/or granted to the Lender certain security documentation, including, but not limited to, the following:

with respect to the Borrower:

- (a) a general security agreement dated May 25, 2018 granted by the Borrower in favour of the Lender (the "**Borrower GSA**");

with respect to Bless Pharma:

- (b) a general security agreement dated March 11, 2016 granted by Bless Pharma in favour of the Lender (the "**Bless Pharma GSA**");
- (c) a guarantee dated June 27, 2019 granted by Bless Pharma in favour of the Lender;

with respect to CC:

- (d) a general security agreement dated May 25, 2018 granted by CC in favour of the Lender (the "**CC GSA**");
- (e) a guarantee dated May 25, 2018 granted by CC in favour of the Lender;

with respect to JG:

- (f) a general security agreement dated March 11, 2016 granted by JG in favour of the Lender (the "**JG GSA 1**");
- (g) a general security agreement dated March 11, 2016 granted by JG in favour of the Lender (the "**JG GSA 2**");
- (h) a general security agreement dated August 18, 2016 granted by JG in favour of the Lender (the "**JG GSA 3**");
- (i) a general security agreement dated November 5, 2017 granted by JG in favour of the Lender (the "**JG GSA 4**");
- (j) a general security agreement dated May 25, 2018 granted by JG in favour of the Lender (the "**JG GSA 5**");
- (k) a general security agreement dated October 21, 2019 granted by JG in favour of the Lender (the "**JG GSA 6**");
- (l) a general security agreement dated August 2, 2018 granted by JG in favour of the Lender (the "**JG GSA 7**");
- (m) a general security agreement dated December 23, 2019 granted by JG in favour of the Lender (the "**JG GSA 8**"); and
- (n) a guarantee dated May 25, 2018 granted by JG in favour of the Lender.

(collectively, the "**Security**").

The Bless Pharma GSA, the JG GSA 1, the JG GSA 2 and the JG GSA 3 are collectively referred to as "**Group 1 GSAs**" and each a "**Group 1 GSA**". The Borrower GSA, the CC GSA, the JG GSA 4, the JG GSA 5, the JG GSA 6, the JG GSA 7 and the JG GSA 8 are collectively referred to as "**Group 2 GSAs**" and each a "**Group 2 GSA**". The Group 1 GSAs and the Group 2 GSAs, are collectively referred to as, the "**GSAs**" and each a "**GSA**".

It has come to our client's attention that JG, a 90% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Among other things, the foregoing matters have been

reported on the website of the Ontario College of Pharmacists and in numerous news sources including, but not limited to, the following news articles:

- (a) *Windsor, Ont. pharmacist with record of misconduct among 6 charged in Toronto opioid trafficking ring*, published by the Canadian Broadcasting Corporation on January 23, 2020;
- (b) *Pharmacist charged in opioid trafficking ring has Tilbury and Windsor ties*, published by the Windsor Star on January 23, 2020;
- (c) *6 charged in opioid trafficking ring, including 2 pharmacists*, published by Toronto City News on January 22, 2020; and
- (d) *Two pharmacists among six accused in opioid trafficking ring*, published by the Toronto Sun on January 22, 2020.

The Charges and the Professional Misconduct place the recovery of all indebtedness owed by the Borrower to the Lender in jeopardy, impair the value of the Security and have a material adverse effect on the business of the Borrower and JG. Accordingly, the Charges and the Professional Misconduct constitute a breach of subsections 3(e) of the Promissory Note, subsections 13(f) and 15(l) of each Group 1 GSA, subsections 13(f) and 15(m) of each Group 2 GSA (quoted in full below) and events of default have arisen as a result.

Section 3(e) of the Promissory Note specifically requires the Borrower to repay all indebtedness owing by the Borrower to the Lender pursuant to or in connection with the Promissory Note in the event that a circumstance occurs which has or can have a material adverse effect on the Borrower's financial condition, business, assets, properties or prospects.

Section 3(e) of the Promissory Note is reproduced below for your reference:

### **3. Acceleration**

In the event that **...(e) any circumstances changes or any event occurs which has or could have a material adverse effect on your financial condition, business, assets, properties or prospect, or (f)....you shall be required to pay us on demand, whereupon you shall immediately pay us, as a genuine pre-estimate of liquidated damages and not as a penalty, the present value of all Instalments required to be paid to and including the Term Date that have not been paid at the date of calculation (whether or not accrued or due and payable), discounted from the respective dates on which the Instalments would otherwise be payable to the date of calculation, at the lessor of (i) 3% per annum, compounded monthly or (ii) the then current yield prevailing for a Government of Canada bond with term remaining most closely approximating the period of time remaining hereunder at such time to the Term Date, and all other accrued and then unpaid Interest.**

(emphasis added)

Additionally, Section 13(f) of each GSA provides that the debtor under such GSA agrees to carry on, and maintain good standing, the business carried out by such debtor.

Section 13(f) of each GSA is reproduced below for your reference:

**13. Positive Covenants**

You agree to:

....

- (f) continue to carry on, and maintain in good standing, the business being carried on by you at the date hereof.

Section 15(l) of each Group 1 GSA provides that the debtor under such Group 1 GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(l) of each Group 1 GSA is reproduced below for your reference:

**15. Default**

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

...

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

Lastly, Section 15(m) of each Group 2 GSA provides that the debtor under such Group 2 GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(m) of each Group 2 GSA is reproduced below for your reference:

**15. Default**

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

...

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

You are hereby given formal notice of the foregoing defaults.

The Lender does not waive compliance with the obligations provided for in the Promissory Note, the GSAs and the Security. Please be advised that the Lender reserves all rights and remedies under the Promissory Note, the Security and such other agreements and security provided in favour of the Lender in connection with the Loan provided for in the Promissory Note – including the Lender's right to demand payment of the loans advanced to the Borrower pursuant to the Promissory Note at any time in the future.

Yours truly,

The Lender advanced the sum of \$497,064.09 CAD (the "**Loan**") to the Borrower pursuant to the terms of a promissory note dated June 3, 2019 executed by the Borrower (the "**Promissory Note**").

- (k) a guarantee dated June 3, 2019 granted by JG in favour of the Lender.

(collectively, the "**Security**").

It has come to our client's attention that JG, a 51% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Dear Sirs/Mesdames

**Re: Promissory Note issued by Toronto Apothecary Pharma Inc. (the "Borrower") to CWB Maxium Financial Inc., guaranteed by each of John Gerges ("JG"), 2503338 Ontario Inc. ("2503338"), Toronto Surrey Pharma Inc. ("TS Pharma"), and Bless Pharma Inc. ("Bless Pharma", and collectively with JG, 2503338 and TS Pharma, the "Guarantors" and each a "Guarantor")**

Please be advised that we are counsel for CWB Maxium Financial Inc. (the "**Lender**").

The Lender advanced the sum of \$720,450.00 CAD (the "**Loan**") to the Borrower pursuant to the terms of a promissory note dated March 11, 2016 executed by the Borrower (the "**Promissory Note**").

As security for repayment of the Promissory Note and all indebtedness due to the Lender in connection therewith, each of the Borrower and the Guarantors executed, delivered and/or granted to the Lender certain security documentation, including, but not limited to, the following:

with respect to the Borrower:

- (a) a general security agreement dated March 11, 2016 granted by the Borrower in favour of the Lender (the "**Borrower GSA 1**");
- (b) a general security agreement dated March 11, 2016 granted by the Borrower in favour of the Lender (the "**Borrower GSA 2**");

with respect to 2503338:

- (c) a general security agreement dated March 11, 2016 granted by 2503338 in favour of the Lender (the "**2503338 GSA**");

(d) a guarantee granted by 2503338 in favour of the Lender;

with respect to TS Pharma:

(e) a guarantee dated March 30, 2016 granted by TS Pharma in favour of the Lender;

with respect to Bless Pharma:

(f) a general security agreement dated March 11, 2016 granted by Bless Pharma in favour of the Lender (the "**Bless Pharma GSA**");

(g) a guarantee granted by Bless Pharma in favour of the Lender; and

with respect to JG:

(h) a general security agreement dated March 11, 2016 granted by JG in favour of the Lender (the "**JG GSA 1**");

(i) a general security agreement dated March 11, 2016 granted by JG in favour of the Lender (the "**JG GSA 2**");

(j) a general security agreement dated August 18, 2016 granted by JG in favour of the Lender (the "**JG GSA 3**");

(k) a general security agreement dated November 5, 2017 granted by JG in favour of the Lender (the "**JG GSA 4**");

(l) a general security agreement dated May 25, 2018 granted by JG in favour of the Lender (the "**JG GSA 5**");

(m) a general security agreement dated October 21, 2019 granted by JG in favour of the Lender (the "**JG GSA 6**");

(n) a general security agreement dated August 2, 2018 granted by JG in favour of the Lender (the "**JG GSA 7**");

(o) a general security agreement dated December 23, 2019 granted by JG in favour of the Lender (the "**JG GSA 8**"); and

(p) a guarantee dated March 11, 2016 granted by JG in favour of the Lender.

(collectively, the "**Security**").

The Borrower GSA 1, the Borrower GSA 2, the 2503338 GSA, the Bless Pharma GSA, the JG GSA 1, the JG GSA 2, and the JG GSA 3 are collectively referred to as "**Group 1 GSAs**" and each a "**Group 1 GSA**". The JG GSA 4, the JG GSA 5, the JG GSA 6, the JG GSA 7, and the JG GSA 8 are collectively referred to as "**Group 2 GSAs**" and each a "**Group 2 GSA**". The Group 1 GSAs and the Group 2 GSAs, are collectively referred to as, the "**GSAs**" and each a "**GSA**".

It has come to our client's attention that JG, a 100% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Among other things, the foregoing matters have been reported on the website of the Ontario College of Pharmacists and in numerous news sources including, but not limited to, the following news articles:

- (a) *Windsor, Ont. pharmacist with record of misconduct among 6 charged in Toronto opioid trafficking ring*, published by the Canadian Broadcasting Corporation on January 23, 2020;
- (b) *Pharmacist charged in opioid trafficking ring has Tilbury and Windsor ties*, published by the Windsor Star on January 23, 2020;
- (c) *6 charged in opioid trafficking ring, including 2 pharmacists*, published by Toronto City News on January 22, 2020; and
- (d) *Two pharmacists among six accused in opioid trafficking ring*, published by the Toronto Sun on January 22, 2020.

The Charges and the Professional Misconduct place the recovery of all indebtedness owed by the Borrower to the Lender in jeopardy, impair the value of the Security and have a material adverse effect on the business of the Borrower and JG. Accordingly, the Charges and the Professional Misconduct constitute a breach of subsections 3(e) of the Promissory Note, subsections 13(f) and 15(l) of each Group 1 GSA, subsections 13(f) and 15(m) of each Group 2 GSA (quoted in full below) and events of default have arisen as a result.

Section 3(e) of the Promissory Note specifically requires the Borrower to repay all indebtedness owing by the Borrower to the Lender pursuant to or in connection with the Promissory Note in the event that a circumstance occurs which has or can have a material adverse effect on the Borrower's financial condition, business, assets, properties or prospects.

Section 3(e) of the Promissory Note is reproduced below for your reference:

### **3. Acceleration**

In the event that **...(e) any circumstances changes or any event occurs which has or could have a material adverse effect on your financial condition, business, assets, properties or prospect, or (f)....**you shall be required to pay us on demand, whereupon you shall immediately pay us, as a genuine pre-estimate of liquidated damages and not as a penalty, the present value of all Instalments required to be paid to and including the Term Date that have not been paid at the date of calculation (whether or not accrued or due and payable), discounted from the respective dates on which the Instalments would otherwise be payable to the date of calculation, at the lessor of (i) 3% per annum,

compounded monthly or (ii) the then current yield prevailing for a Government of Canada bond with term remaining most closely approximating the period of time remaining hereunder at such time to the Term Date, and all other accrued and then unpaid Interest.

(emphasis added)

Additionally, Section 13(f) of each GSA provides that the debtor under such GSA agrees to carry on, and maintain good standing, the business carried out by such debtor.

Section 13(f) of each GSA is reproduced below for your reference:

### **13. Positive Covenants**

You agree to:

....

- (f) continue to carry on, and maintain in good standing, the business being carried on by you at the date hereof.

Section 15(l) of each Group 1 GSA provides that the debtor under such Group 1 GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(l) of each Group 1 GSA is reproduced below for your reference:

### **15. Default**

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

...

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

Lastly, Section 15(m) of each Group 2 GSA provides that the debtor under such Group 2 GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 15(m) of each Group 2 GSA is reproduced below for your reference:

### **15. Default**

You shall be in default under this Agreement upon the happening of any of the following events (each, an "**Event of Default**")

...

- (l) any other event occurs which causes us in good faith, to deem ourselves insecure, or to believe that the Collateral, or any part thereof, or the value thereof, is or is about to be placed in jeopardy.

You are hereby given formal notice of the foregoing defaults.

The Lender does not waive compliance with the obligations provided for in the Promissory Note, the GSAs and the Security. Please be advised that the Lender reserves all rights and remedies under the Promissory Note, the Security and such other agreements and security provided in favour of the Lender in connection with the Loan provided for in the Promissory Note – including the Lender's right to demand payment of the loans advanced to the Borrower pursuant to the Promissory Note at any time in the future.

Yours truly,

Dear Sirs/Mesdames

**Re: Promissory Note issued by River Hill Pharmacy Ltd. (the "Borrower") to  
Element Financial Corporation, guaranteed by John Gerges ("JG" or the  
"Guarantor")**

Please be advised that we are counsel for Element Financial Corporation (the "**Lender**").

The Lender advanced the sum of \$953,597.50 CAD pursuant to the terms of a promissory note dated August 28, 2015 ("**Promissory Note 1**") and \$150,000.00 pursuant to the terms of a promissory note dated August 28, 2015 ("**Promissory Note 2**" and together, with Promissory Note 1, the "**Promissory Notes**" and each a "**Promissory Note**") (the "**Loans**") to Bless River Pharma Inc. (the "**Predecessor**"), a predecessor of the Borrower.

As security for repayment of the Promissory Notes and all indebtedness due to the Lender in connection therewith, each of the Predecessor and the Guarantor executed, delivered and/or granted to the Lender certain security documentation, including, but not limited to, the following:

with respect to the Predecessor:

- (a) a general security agreement dated August 26, 2015 granted by the Predecessor in favour of the Lender (the "**Borrower GSA**");

with respect to JG:

- (b) a general security agreement dated August 26, 2015 granted by JG in favour of the Lender (the "**JG GSA**" and together, with the Borrower GSA, the "**GSAs**" and each a "**GSA**"); and
  - (c) a guarantee dated August 26, 2015 granted by JG in favour of the Lender.
- (collectively, the "**Security**").

It has come to our client's attention that JG, a 100% shareholder of the Borrower and a Guarantor, has been: (i) charged in connection with opioid trafficking (the "**Charges**"); and (ii) disciplined by the Ontario College of Pharmacists for a number of professional misconduct concerns including, but not limited to, dispensing an incorrect number of tablets to a patient, failing to maintain accurate records, failing to maintain the standards of the profession, and engaged in conduct considered unprofessional and dishonourable (the "**Professional Misconduct**"). Among other things, the foregoing matters have been reported on the website of the Ontario College of Pharmacists and in numerous news sources including, but not limited to, the following news articles:

- (a) *Windsor, Ont. pharmacist with record of misconduct among 6 charged in Toronto opioid trafficking ring*, published by the Canadian Broadcasting Corporation on January 23, 2020;
- (b) *Pharmacist charged in opioid trafficking ring has Tilbury and Windsor ties*, published by the Windsor Star on January 23, 2020;
- (c) *6 charged in opioid trafficking ring, including 2 pharmacists*, published by Toronto City News on January 22, 2020; and
- (d) *Two pharmacists among six accused in opioid trafficking ring*, published by the Toronto Sun on January 22, 2020.

The Charges and the Professional Misconduct place the recovery of all indebtedness owed by the Borrower to the Lender in jeopardy, impair the value of the Security and have a material adverse effect on the business of the Borrower and JG. Accordingly, the Charges and the Professional Misconduct constitute a breach of paragraph 3 of each Promissory Note and subsections 3.02(b) and 6.01(k) of each GSA (quoted in full below) and events of default have arisen as a result.

Paragraph 3 of each of the Promissory Notes specifically requires the Borrower to repay all indebtedness owing by the Borrower to the Lender pursuant to or in connection with such Promissory Note if any event of default occurs under any security agreement executed by the Borrower (or the Predecessor) in favour of the Lender securing the obligations of the Borrower to Lender under, among other things, the Promissory Note.

Paragraph 3 of the Promissory Note is reproduced below for your reference:

**If the Borrower fails to pay any amount when due under the terms of this Note or any other event of default occurs under any security agreement executed by the Borrower in favour of the Lender (the "Agreement") securing the obligations of the Borrower to the Lender**

**under, among other things this Note (each, a “Default”),** the Lender may, in addition to any right or remedy set out in any security (including the Agreement), declare all amounts then due under this Note and all unpaid and future payments under this Note to be immediately due and payable, without any additional notice or demand of any kind, and in such event the Borrower shall forthwith pay to the Lender all such amounts then due under this Note and, as a genuine pre-estimate of liquidated damages for the loss of bargain and not as a penalty, the present value of all unpaid and future payments discounted from their respective due dates at a discount rate equal to three percent (3%) per annum.

(emphasis added)

Additionally, Section 3.02(b) of each GSA provides that the debtor under such GSA agrees to carry on, and maintain good standing, the business carried out by such debtor.

Section 3.02(b) of each GSA is reproduced below for your reference:

### **3.02 Covenants**

The Debtor covenants with ELEMENT that:

....

3.02(b) it shall maintain, use and operate the Collateral and carry on and conduct its business in a lawful and business-like manner.

Lastly, Section 6.01(k) of each GSA provides that the debtor under such GSA is in default if an event occurs which causes the Lender to conclude they believe their security interest in such debtor's collateral is or about to be placed in jeopardy.

Section 6.01(k) of each GSA are reproduced below for your reference:

### **6.01 Events of Default**

The Debtor shall be in default under this Agreement upon the occurrence of any of the following events (herein referred to as an “Event of Default”):

...

6.01(k) ELEMENT believes in good faith that the payment of the Obligations or the performance or observance of any covenant herein is impaired or that the Collateral is in danger of being lost, damaged or confiscated, or of being encumbered by the Debtor or seized or otherwise attached by anyone pursuant to any legal process or otherwise.

You are hereby given formal notice of the foregoing defaults.

The Lender does not waive compliance with the obligations provided for in the Promissory Notes, the GSAs and the Security. Please be advised that the Lender reserves all rights and remedies under the Promissory Notes, the Security and such other agreements and

security provided in favour of the Lender in connection with the Loans provided for in the Promissory Note – including the Lender's right to demand payment of the Loans advanced to the Borrower pursuant to the Promissory Note at any time in the future.

Yours truly,
