**ENDORSEMENT OF JUSTICE STEELE:**

1. Receiver's motion for the approval of a sale transaction (a sale of real property).
2. The debtor requests a short adjournment on the basis that the Receiver's materials were short served. The debtor opposes the receiver's motion and wishes to file a factum. The receiver opposes the adjournment, as does the applicant creditor, Roynat Inc., and the creditor, MacEwen Petroleum Inc..
3. Adjournment granted. The Receiver's materials were not served in accordance with the timing set out in the Rules. Accordingly, absent evidence of prejudice or other urgency, it is appropriate to grant the respondent the opportunity to respond.
4. Receiver's motion adjourned to June 26, 2023 at 2 pm (one hour). The respondent shall file its factum by the end of the day on June 23, 2023.
