**AFFIDAVIT OF GOPINDER KAUR
(Sworn June 29, 2023)**

**I, GOPINDER KAUR, of the City of Brampton, in the Province of Ontario, MAKE
OATH AND SAY:**

1. I am the principal of the Respondent and as such I have knowledge of the matters herein deposited. Where I do not have direct knowledge, I have stated the source of the information and verily believe it to be true.
2. I make this Affidavit in response to the Affidavit of Peter Gordon, sworn June 6, 2023, contained in the Application Record (the "Gordon Affidavit"), and in opposition to the Application by the Applicant for the appointment of a receiver of all the assets, properties and undertakings of the Respondent.

3. As indicated by the Corporation Profile Report attached as part of Exhibit “A” to the Gordon Affidavit, the Respondent was incorporated on June 3, 2021. As indicated, I have been its sole officer and director since it was incorporated.

4. My husband, Gurbir Singh Randhawa (“Randhawa”), and I legally separated on January 12, 2021. We entered into a legal Separation Agreement on May 28, 2021. A copy is attached as Exhibit “A” to this Affidavit.

5. Prior to my separation from Randhawa, we operated automotive supply businesses together. The Respondent was incorporated for the purpose of me being able to operate my own automotive supply businesses with no involvement on his part immediately after our legal separation.

6. Randhawa and I separated because we had a breakdown in our marriage. One of the reasons for the legal separation and incorporation of the Respondent was to permit me to properly operate my own independent business without any involvement or interference on his part.

7. I have two young children. Randhawa is their father. Despite my separation from Randhawa, and the manner in which he treats me, I have been unable to fully terminate my relationship with him because my young children love their father, don’t know about his issues, and want to spend time with him. For this reason alone I remain in communication with Randhawa. If it were not for my children, I would never speak to Randhawa.

8. The Respondent carries on business as a retailer and supplier of new and after-market auto parts from three locations: Brampton, Georgetown and Caledon East. As indicated by its website attached as Exhibit “B: to the Gordon Affidavit, it provides fast parts delivery services to a trade industry that includes dealerships, jobbers, tire shops, garages and automotive repair shops.

9. Randhawa was the principal of a business called GT Parts Serve Ltd. (“GTPS”), which operated a business similar to that of the Respondent prior to my separation from Randhawa.

10. In or around the Fall of 2022, Randhawa informed me that he was relocating GTPS to a different location. He asked me if I wished to take over the lease at Unit 3, 341 Guelph Street, Georgetown, which was the location that GTPS was operating out of at the time (the “Property”).

11. Since the Respondent was in the same line of business as GTPS, and was both operating successfully and interested in expanding its business, the Respondent agreed to take over the lease at the Property from GTPS.

12. On October 4, 2022, the landlord at the Property, GTPS and the Respondent all executed a Consent to Assign and Assignment of Lease Agreement for the Property by which the Lease in favour of GTPS as tenant was assigned to the Respondent. Attached hereto and marked as Exhibit “B” is a copy of the Consent to Assign and Assignment of Lease Agreement.

13. As part of the assignment of the lease, the Respondent agreed to pay, and did pay, all rental arrears that had been accumulated by GTPS at the Property. The Respondent paid \$64,334.66 in rental arrears at the same time that the lease was assigned. Attached hereto and marked as Exhibit “C” is a copy of a bank draft payable to the landlord in the amount of the rental arrears.

14. The original lease that was assigned to the Respondent was dated May 14, 2019. Its term commenced on June 1, 2019 and ends on May 31, 2024. Attached hereto and marked as Exhibit “D” is a copy of the original lease.

15. The purpose of the assignment of the lease was for the Respondent to operate one of its locations at the Property.

16. Despite moving to a different location, GTPS left some of its inventory and other items at the Property. When I asked Randhawa what GTPS’s plans were with this inventory and other items, he said that the Respondent could purchase them from GTPS and use it as part of its inventory and equipment for carrying on its business at the Property.

17. Since the Respondent was in the business of selling inventory of the type which GTPS had left at the Property, and since the Respondent had quite a high sales turnover rate for the items that were left by GTPS at the Property (i.e., the respondent was able to sell those types of automotive parts quickly, on a consistent basis), and since agreeing to purchase that inventory from GTPS would prevent him and his business partners from needing to visit the Property in the future to take them, the Respondent agreed to purchase the inventory and equipment that GTPS had left behind at the Property.

18. I have prepared a spreadsheet of the inventory and equipment which the Respondent purchased from GTPS. The columns of this spreadsheet list the following information:

- a. All types of inventory and other items that the Respondent purchased from GTPS as described in the preceding paragraph;
- b. The amount the Respondent was charged by GTPS for the said inventory and other items;
- c. The Respondent's cheque number that was used to pay for the said inventory and other items;
- d. The date of the cheque that the Respondent used to pay for the said inventory and other items; and
- e. The date that the various cheques were deposited.

Attached hereto and marked as Exhibit "E" is a copy of the said spreadsheet.

19. As set out in the spreadsheet, the total amount paid by the Respondent to GTPS for the said inventory totals \$87,450.00.

20. Further, I have obtained copies of the invoices for the inventory and other items sold to the Respondent by GTPS. The invoices correspond with the spreadsheet which is appended as Exhibit "E". The invoices are listed in the same order as the items listed in the spreadsheet appended as Exhibit "E". Attached hereto and marked as Exhibit "F" is a copy of the invoices.

21. Further, I have obtained copies of the cashed cheques for the inventory and other items sold to the Respondent by GTPS. The cashed cheques correspond with the spreadsheet which is appended as Exhibit "E" and the invoices which are appended as Exhibit "F". The cashed cheques are listed in the same order as the items listed in the spreadsheet appended as Exhibit "E" and the invoices appended as Exhibit "F". Attached hereto and marked as Exhibit "G" is a copy of the cashed cheques.

22. I have also obtained unredacted bank statements for the Respondent to demonstrate that the cheques for the inventory and other items purchased from GTPS, which cheques were all payable to GTPS, were in fact deposited by GTPS into its bank account and debited to the Respondent's bank account. Attached hereto and marked as Exhibit "H" is a copy of the July, August and September 2022 bank statements of the Respondent. I have highlighted in yellow the transactions that include the inventory and other items purchased from GTPS.

23. I note again that all of the Respondent's cheques were written directly to GTPS. I also believe, based on my knowledge of the industry and experience purchasing similar/identical inventory, including for the Respondent's business, that the Respondent paid above wholesale value, and near retail value, for the GTPS inventory that it purchased. As I will describe further below, when the Respondent sold most of the inventory purchased to its customers, it needed to sell them individually, or in small amounts, in order to make a small profit selling at retail value. I believe, based on my experience purchasing and selling merchandise similar/identical to the inventory that the Respondent purchased from GTPS, that if all of the inventory was sold in a single sale at wholesale prices, that the price would have been significantly less than the price that the Respondent purchased it at. Typically, in my experience, the higher the volume of items contained in a sale, the lower the price relative to each item's individual value.

24. When the Respondent purchased the inventory from GTPS as described throughout this affidavit, I did not understand that the Applicant held a security interest in such inventory. I only understood that the Respondent was purchasing inventory at near retail prices that it would sell to its customers as part of the ordinary operation of its business. The Respondent ordinarily purchased and re-sold auto parts inventory as part of the operation of its business. I understood that the

inventory was already located at the Property, which the Respondent had just taken over by way of assignment of lease, and I believed that it would be a reasonable business decision in the normal course of the Respondent's business to purchase this inventory for the purpose of re-selling it to the Respondent's customers. For example, in 2022, the Respondent purchased similar/identical inventory from another supplier, Uni-Select, on a regular basis. It was part of the ordinary course of the Respondent's business for it to do so. Attached hereto and marked as Exhibit "I" are several dozen invoices from Uni-Select whereby the respondent purchased similar/identical inventory to sell as a normal part of the Respondent's business.

25. Since purchasing the inventory described in this Affidavit, the Respondent has sold most of it to its customers. I have generated spreadsheets containing particulars of sales of inventory that include the sale of the specific auto parts items purchased from GTPS. For clarity, these spreadsheets include both the sale of the inventory purchased from GTPS as well as the sale of identical items that were purchased from other suppliers. It is not limited to include only the inventory purchased from GTPS. The spreadsheets include the line item, the part number, the date of last sale of the particular item, the customer price and the quantity of items sold. Attached hereto and marked as Exhibit "J" is a copy of the said spreadsheets.

26. It is possible to calculate the Respondent's sale price of the inventory that was purchased from GTPS and sold to the Respondent's customers, which are set out in the Exhibit "J" spreadsheets. For example, the first line item on the spreadsheet in Exhibit "E" states that the Respondent purchased Mevotech Chassis' for \$2,700.00 from GTPS. Mevotech is a brand and chassis' are the load-bearing part of a car's frame. The first two pages of Exhibit "F" contain the invoice for the Mevotech Chassis' that were purchased by the Respondent from GTPS. This invoice describes each of the specific part numbers of the Mevotech Chassis' that were purchased from GTPS. The part numbers found in the invoice can be cross-referenced to the part numbers in the spreadsheet in Exhibit "J". Once cross-referenced, the date of sale, customer price and quantity of items sold can be determined.

27. With respect to the other items purchased by the Respondent from GTPS, including the Honda Ridgeline vehicle, the shelving, the computer and the phone, the Respondent still has these

items. They were purchased in the ordinary course of the Respondent’s business at fair value to assist the Respondent with operating its business as part of its equipment at the Property. Further, the Ford Escape did not have an engine, so the Respondent sold it for scrap metal. Finally, some of the items that the Respondent did not sell it instead traded with a supplier in exchange for other auto parts inventory.

28. I make this affidavit in support of my opposition to the Applicant’s Receivership Application and for no improper purpose.

If in the Landlord's reasonable opinion, the Tenant's business is such that the Tenant consumes a disproportionate amount of a bulk metered utility service then, the Landlord acting fairly and equitably may allocate the cost of such service amongst the tenants who receive same. In the event any utility is separately metered in respect of the Demised Premises the Tenant shall be solely responsible for and promptly arrange an account in its own name and pay all charges, including any required deposits therefore. If so required by the Landlord or by any utility company or authority separate meters shall be installed in the Demised Premises at the Tenant's expense. The Tenant agrees to look solely to its insurer or insurers in the event of such loss whether the insurance coverage is sufficient fully to reimburse the Tenant for such loss or not.

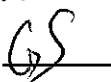

The Tenant shall deliver certified copies of all insurance policies required to be maintained by the Tenant pursuant to the provisions of this Lease shall include the Landlord as co-insured party thereunder, and, the Tenant shall deliver certified copies of all insurance policies, required to be obtained by the Tenant pursuant to this Lease prior to occupancy of the Demised Premises by the Tenant, and, the Tenant shall, in each Lease Year, deliver evidence of renewal of the same to the Landlord.

The Tenant shall not effect any Transfer without the prior written consent of the Landlord, which shall not be unreasonably withheld. No consent to any Transfer shall relieve the Tenant from its obligation to pay Rent and to perform all of the covenants, terms and conditions herein contained. In the event of a Transfer, the Landlord may collect Rent or sums on account of Rent from the Transferee and apply the net amount collected to the Rent payable hereunder, but no such Transfer or collection, or acceptance of the Transferee as tenant, shall be deemed to be a waiver of this covenant.

6.19 Landlord's Consent

The Tenant's request shall contain the information required by Section 6.21 of this Lease. Failure of the Tenant to deliver notice to the Landlord within such fifteen (15) day period advising of the Tenant's desire to refrain from such Transfer shall be deemed to be an acceptance by the Tenant of the Landlord's cancellation of this Lease (in whole or in part, as the case may be). Any cancellation of this Lease pursuant to this Section 6.20 shall be effective on the later of the date originally proposed by the Tenant as being the effective date of the Transfer and the last day of the month sixty (60) days following the date of the Landlord's notice to cancel this Lease.

- (f) the Tenant paying to the Landlord, as Additional Rent, all excess rent and other profit earned by

the Tenant in respect of the Transfer.

(2) Notwithstanding the foregoing, the Landlord may, in determining whether to consent to any Transfer hereunder, consider such factors as the Landlord, in its sole and unfettered discretion, deems relevant or material to the proposed Transfer. Without limiting the generality of the foregoing, the Tenant acknowledges that it shall be reasonable for the Landlord to withhold its consent to any Transfer hereunder if the Landlord has reasonable grounds to believe that:

- (a) the Transferee intends to change the Permitted Use of the Premises stipulated in Section 6.01;
- (b) the Landlord has reasonable grounds to believe that the Transferee does not have sufficient business experience to operate the Premises for the Permitted Use stipulated in Section 6.01;
- (c) the Transferee: (i) does not have a good credit rating and a net worth sufficient, in Landlord's reasonable opinion, to finance the business to be operated in the Premises; or (ii) has a history of defaults under commercial leases either by the Transferee or by companies or partnerships in which the Transferee or any of its shareholders or partners was a principal shareholder or partner at the time of the defaults;
- (d) less than twenty-four (24) months have passed since the date of the last Transfer, if any, the Commencement Date or the date of the last renewal or an extension of the Term of this Lease;
- (e) the Transfer would take effect within the last twelve (12) months of the Term;
- (f) the Transfer relates to a part of the Premises only;
- (g) the Transferee pays or gives to the Tenant money or other value that is reasonably attributable to the desirability of the location of the Premises or to leasehold improvements that are owned by the Landlord or for which the Landlord has paid in whole or in part; or
- (h) the Landlord does not receive sufficient information from the Tenant or the Transferee to enable it to make a determination concerning the matters set out in Section 6.21(1) or does not receive its fees under Section 6.21(1).

6.21 Change of Control

As of the date of this Lease, the Tenant represents and warrants that its sole directors, officers and registered and beneficial shareholders are **RANDHAWA, GURBIR, SINGH** and the Landlord is relying on such representation in entering into the Lease. Any transfer or issue by sale, assignment, bequest, inheritance, operation of law, or other disposition, or by subscription, of any part or all of the corporate shares of the Tenant or any other corporation, which would result in any change in the effective direct or indirect control of the Tenant, shall be deemed to be a Transfer, and the provisions of this Article 10 shall apply *mutatis mutandis*. The Tenant shall make available to the Landlord or its lawful representatives such books and records for inspection, at all reasonable times, in order to ascertain whether there have, in effect, been a change in control. In the event of the sale or lease by the Landlord of its interest in the Premises or any part or parts thereof, and in conjunction therewith the assignment by the Landlord of this Lease or any interest of the Landlord herein, the Landlord shall be relieved of any liability under this Lease in respect of matters arising from and after such assignment.

6.24 Status Certificate

Within ten (10) days after written request by the Landlord, the Tenant will deliver in a form supplied by the Landlord, a status certificate or a certificate to any proposed purchaser, assignee, lessor, Mortgagee, or to Landlord, containing such acknowledgments and information as are customarily called for in status certificates and estoppel certificates delivered in conjunction with commercial tenancies, or as may be required by the Mortgagee or a purchaser. If the Tenant fails to deliver any statement or certificate within the time provided under this Section 6.24, the Landlord shall have the same rights and remedies as it has in the event of a failure by the Tenant to pay Rent.

6.25 Subordination and Non-Disturbance

This Lease and all of the rights of the Tenant hereunder are, and shall at all times be, subject and subordinate to any and all Mortgages and any renewals or extensions thereof now or hereinafter in force against the Premises. On the request of the Landlord, the Tenant shall promptly subordinate this Lease and all its rights hereunder in such form or forms as the Landlord may require to any such Mortgage or Mortgages, and to all advances made or hereinafter to be made on the security thereof and will, if required, attorn to the holder thereof. 4. This Indemnity is irrevocable by Indemnifier and will continue in full force and effect. This Indemnity will be binding upon Indemnifier's successors, legal representatives and assigns. Furthermore, this Indemnity will remain in full force and effect, notwithstanding any change of name, amalgamation, merger or change of status of Landlord, Tenant, Indemnifier, any other Indemnifier, or any other Person, notwithstanding any juridical acts or facts as a result of which Landlord is replaced by any other entity as a party to the Lease and/or any party other than Tenant becomes the debtor of any of the Obligations. Furthermore, if Landlord is replaced by any other entity as a party to the Lease, then this Indemnity will
