ENDORSEMENT OF JUSTICE CAVANAGH:

[1] This hearing was arranged at the request of the Receiver to settle the timetable and arrange a hearing date for its motion for advice and directions for approval of a sales process. The motion materials have not yet been served, and Bryton wishes to review the motion materials before committing to a timetable.

[2] The motion is scheduled to be heard on August 11, 2022 before me at 10:00 a.m. for ½ day.

[3] The Receiver will serve its motion material on or before June 17, 2022. The interested parties will then agree on a timetable for the motion that will accommodate the hearing date. The agreed timetable should be sent to me by email for approval. If there is difficulty agreeing on the timetable, counsel will arrange a 9:30 appearance before me to settle the timetable.
