JUDICIAL NOTES:

Conway J. Endorsement

The Receiver's motion for an AVO with respect to the transaction with 1000087607 Ontario Inc. proceeded before me today by Zoom. The motion is unopposed. I am satisfied that the sales process engaged in by the Receiver is reasonable and that the transaction should be approved. The draft order contains a sealing order with respect to the Confidential Appendices to the Fourth Report, which is granted. I approve the additional relief including approval of the Receiver's reports, activities and fees.

Order to go as signed by me and attached to this endorsement. This order is effective from today's date and is enforceable without the need for entry and filing.
