Judges Endorsment Continued

have a prospective purchase. The problem is that they are still negotiating over price and no firm deal is at hand.

The loan have been in default for 8 months and there are problems with the builder. In these circumstances I am satisfied that it is just & convenient to support the Receiver. The prospective purchaser can still participate.

I have reviewed the draft order in counsel and I am satisfied that the terms are fair & reasonable. SPMD agree to the terms of the order which protects its position.

My order shall be as per the draft filed & signed
