ENDORSEMENT

1. The respondent seeks a motion date on an urgent basis to discharge a Receiver appointed by court order on June 10, 2025. The urgency is that a transaction is closing on November 15, 2025 for a refinancing of assets so that the respondent can continue its operations. The discharge of the Receiver is required for that to proceed.

2. The respondent estimates that this motion will require less than 59 minutes. It is on consent of the Received and RBC, the applicant.
3. As the courts are closed this week for regular sittings, the next available regular motions list is November 13, 2025. This matter is to be added to that motion list.
