

August 17/17.

I agree with Penny J that  
The defendant should  
have notice of this  
Motion. I am satisfied  
That he has been given  
proper notice of today's  
hearing by reason of the  
affidavit of Maria  
Maxheim.

I am also satisfied that  
there should be judgment  
against Kuldip Joon  
who was not in default  
September 9, 2016.

Judgment shall be  
against him in the  
amount of US \$6,070,790  
payable in Canadian  
currency.

I am also satisfied  
in the circumstances of  
this case that costs  
should be awarded on a  
substantial indemnity basis.

The bill is awarded  
costs against Keldip  
Jones fixed at \$11,094.08

payable ~~with~~ 24  
forthwith.

Judgment to go on
